SUBJECT: NICARAGUA: RESPONSE TO FDA REGISTRY DEMARCHE

REF: 09 SECSTATE 108138

GON officials with responsibilities for food safety have refused our repeated attempts to schedule a meeting with them to deliver reftel talking points. Post has sent hard copies of the FDA Reportable Food Registry information to them. We are attempting to inform industry about the registry through various chambers and professional associations. Post will report any further substantive developments as they arise.
